Transition	P6 - Basketball P.E. Transition P7 - Weekly library transitions from Feb	HWB 2-07a HWB 2-19a

Don't Forget

P.E Days - Wednesday & Friday

P7 High School Transition - Mondays

P6 High School Basketball Transition
- 26th Feb

Chicken Week - 23rd Feb

Home Learning Ideas

Maths

https://www.sumdog.com/user/sign_in?to=%2Fschool

Spelling

Find your weekly spelling words in the grid.

Can you write some silly sentences including your spelling words?

Maths

Go on a fractions hunt around your house. Can you come up with sentences about fractions you see? (E.g. $\frac{2}{15}$ of my socks are black.)

Then, order your fractions from smallest to largest.

Reading

Choose any book or magazine. Read for 20 minutes and play skim and scan bingo.

Can you find...

- a number
- a place
- an adverb
- a name
- an interesting word
- a powerful verb

HWB

Our Building Resilience unit this term is 'Have a Goal'.

Can you create a goal as a family? See the attached sheet for help.

Topic

Research a real 'lost voyage' of your choice. Create a poster or PowerPoint explaining what happened, why the ship was lost and what we can learn from it today.

separately	practical	originally	loneliness	
strangely	regional	personally	nastiness	
	sensational	physically	silliness	
	several	practically	tidiness	
	traditional	traditionally		

Health and Wellbeing

UNIT 10 Have a Goal

Family Sharing Activity

We have learning about the importance of setting and pursuing meaningful goals. When we make progress on things that are important to us to achieve, we are more satisfied with our lives and report higher levels of wellbeing. While no-one starts a goal expecting to fail, we will undoubtedly hit setbacks along the way.

Resilient people understand that working at something takes energy, motivation and effort. They view failure as feedback, recognise it can happen to anyone, reflect on what wrong and try new ways to tackle the problem.

We have learned that:

- Setting a realistic goal helps to motivate us
- Learning to overcome setbacks helps us cope with future ones
- It is important to celebrate our successes

Set a Goal

- Think about something you want to be able to achieve as a family in the next few weeks. Set a goal that is meaningful for everyone.
- Create a step-by-step plan for how you are going to achieve your goal. Think about who is doing what and what will help you to achieve it. How will you know you have achieved it?
- Expect that you may experience setbacks or make mistakes. Don't worry – just keep on trying!
- Agree together how you will celebrate as a family when you have reached your goal.
- Bring evidence of how you are getting on with progressing towards achieving your 'goal'. You will be asked to share this with your class.
