Spelling

Find your weekly spelling words in the grid.

Can you separate each word into its syllables?

Maths

Practise your target times table.

Can you count up in your chosen table?

Can you answer questions quickly?

Challenge: Square numbers

Reading

Choose any book or magazine. Read for 20 minutes and write a maximum of 3 sentences to summarise what you have read.

HWB

Our Building Resilience unit this term is 'Expect the Unexpected'.

Can you create a plan to reach a goal as a family? See the attached sheet for help.

Topic

Create something inspired by the World Cup. You could...

- Make artwork
- Create a poster
- Research a team or player
- Make a video or presentation
- Write a story or poem
- Create a quiz or game
- Design a kit or mascot

Health and Wellbeing

UNIT 12 Expect the Unexpected

Family Sharing Activity

We have learned that no matter how much we would like to, we cannot protect ourselves from change as it is a part of life. Sometimes change can be a positive experience (e.g. exciting new opportunities) but often it brings with it disappointments, difficulties or loss.

Helping children to understand that change in life is a given, and not unique to them, can help normalise their experiences and encourage reflection on what can help us to better prepare ourselves for a future full of unknowns.

We have learnt that:

- Change is a part of life
- It's OK not to be OK
- We have ways to look after our mental health

Expect the Unexpected Task

- Think about something you want to be able to achieve as a family in the next few weeks. Set a goal that is meaningful for everyone.
- Create a step-by-step plan for how you are going to achieve your goal. Think about who is doing what and what will help you to achieve it. How will you know you have achieved it?
- Expect that you may experience setbacks or make mistakes. Don't worry – just keep on trying!
- Agree together how you will celebrate as a family when you have reached your goal.

Please return your family sharing activity to school so you can share your ideas with your class. Some examples will be chosen to share at our Sharing Assembly.
