

We hope you all had a lovely summer. Welcome back to all our current and new children joining us this term.

Our extension has been completed and is an exciting new addition to the school. All the entry gates are open again. The gate by the nursery, the gate beside the astro at the top of the path from Frogston Road East and the gate by the staff car park. Please can children only use the main reception door if they are running late and their entry door is closed.

All doors have a sign with the class that will use that door.

The following classes can be accessed from the courtyard;
