Newsletter for week ending 23rd October 2026

Halloween Discos:

Thank you so much to our wonderful Parent Council for organising Halloween Discos for our pupils! Pupils have been so excited this week and we understand how much work and time events like this take.

We are proud to share that the Parent Council wished to thank all the P1 to P3 pupils who attended last night. They were so impressed with the behaviour, kindness and responsibility of our youngest pupils who were polite, helpful and fun. It is always fantastic to receive positive praise and happy tales from the community. Well done P1 to P3 and have fun tonight, P4 to P7 pupils! We are certain that you will all be just as respectful, polite and responsible!

Bonfire Night and Halloween Safety:

As 5 November approaches, the Scottish Government and the Scottish Fire and Rescue Service are reminding people about the dangers associated with fireworks misuse, the laws in place in Scotland to help less the negative impact they can have, and to ask the public to be considerate of others.

The Scottish Fire and Rescue Service have prepared resources designed to help parents, teachers, youth workers and those who run local community groups to raise awareness of the serious dangers associated with fireworks and bonfires.

Many firework injuries treated at hospital happen at home or on private property, and over half of those requiring treatment are children!

Please follow this link and see the attached pdf to see how you can keep you and your family safe this Bonfire Night.

Campaign Assets | Scottish Government Marketing News

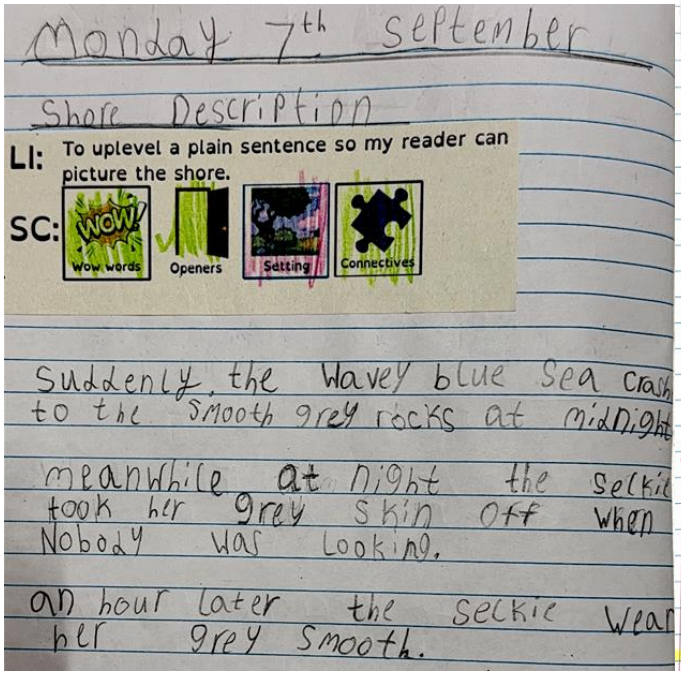

Thank You, Parent Council!

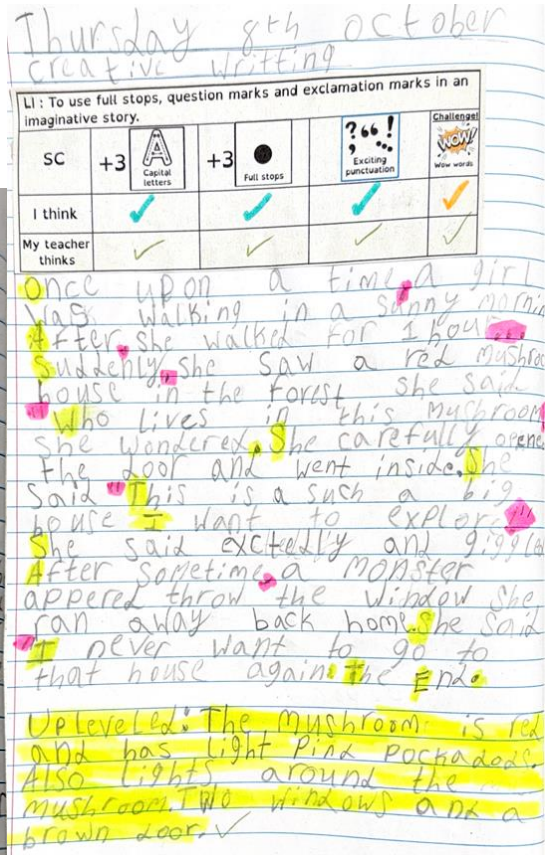

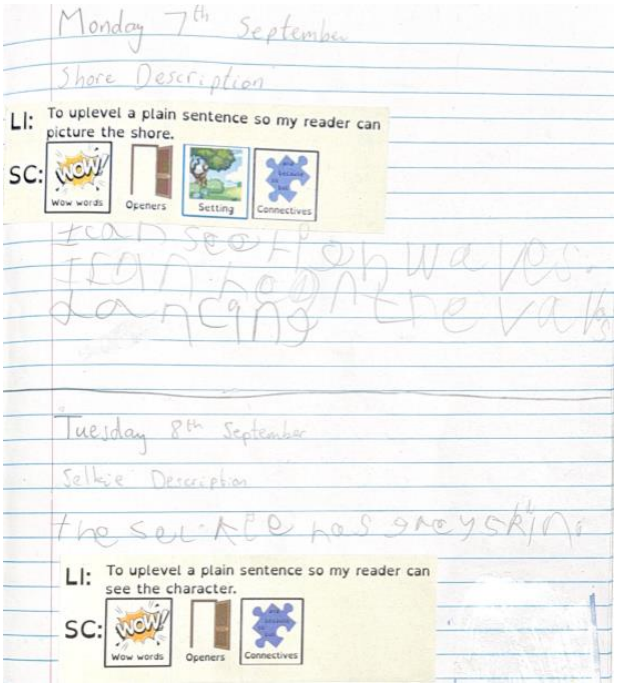

P3a would like to say a very big thank you to the parent council for their generous donation of £50. We were able to purchase some K'nex sets which the children have enjoyed playing with this week. We have seen some incredible designs including rollercoasters, football stadimums and many different kinds of vehicles! We are very excited to see what we can make next!

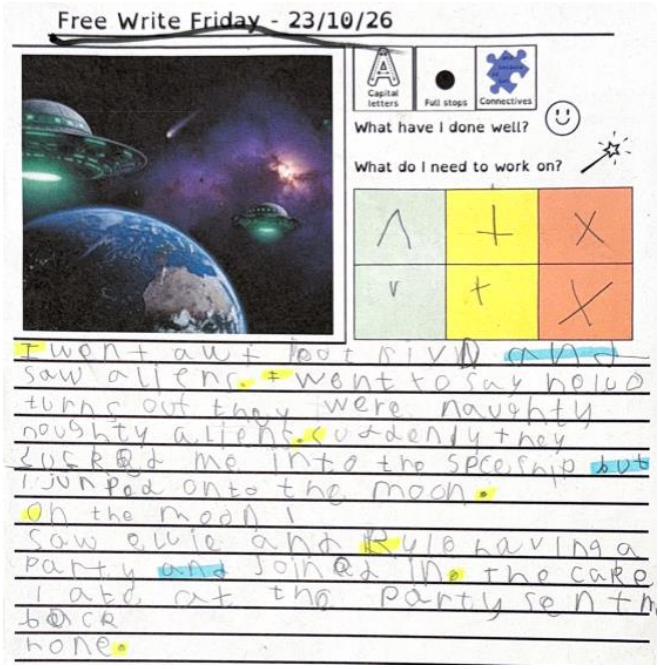

Writing Progress in P4!

Our P4 teachers would love to share with you some examples of the amazing progress made by their pupils so far this year. Each of these 2 examples shows a pupil's work at the start of the year compared to now. Just look at how much more they are writing, the increased use of punctuation and all the wonderful vocabulary and detail. We could not be more impressed! Speak to your child today about their learning in writing!

Our Vision, Values and Aims!

Thank you to those of you who have completed the below survey. Ideally, as many parents, carers and families as possible will let us know their views, so if you haven't yet completed this short form, please do!

Stay safe in the stormy weather and have a wonderful weekend with your families!
