Newsletter for week ending 11th October 2026.

An exciting week at Frogston!

Fundraising:

As many of you will already know, P7's first fundraising attempt was such a huge success that they had completely sold out before the end of the first day! We are all so overwhelmed by the incredible support and generosity shown by so many of our families as well as the hard-work and resilience demonstrated by our P7s. Thank you all and well done, P7s!

The P7s plan to keep making and crafting so that there will be more to sell at the Christmas Fair.

P7

P7 enjoyed a visit from Edinburgh South Boxing Academy coaches this week. They had the chance to put on boxing gloves and practise their skills, as well as being put through their paces with some fitness drills. The session finished with an arm challenge that was much harder than it looked but all agreed the session was a lot of fun!

They also got to take part in Cheerleading Taster Sessions which involved lots of balancing and strength! Again, all agreed that it was hard work but a lot of fun!

Thank you again to Edinburgh South Boxing Academy and The Cheer Coaches!

P3

P3B would like to share that they have been exploring and completing vintage jigsaw puzzles! There was a lot of challenge involved, and Scott was very proud with the class for doing a great job of showing school values.

Later, the class talked about jobs they'd like to do and how our school values would be good in those jobs.

P3B have also been learning about how water changes state. They have been learning through the use of an exciting song and also by modelling the water cycle with an experiment.

P2

P2 continued with their outdoor learning adventures this week by going into the orchard and creating homes and hideaways for toys. They worked in teams and were focussing on their skills of communication and collaboration. It was a beautiful afternoon with increasingly effective communication and collaboration displayed by all. Well done, P2s!

Football!

Our colleagues at Active Schools are excited to share that new Football Development Classes will be available for pupils after the October break!

Mini Kickers Classes

These sessions are for any children aged 3-5 and take place every Saturday morning (24th Oct - 12th Dec) from 9:30am-10:15am at St Augustines HS, in the games hall.

Friday Football Classes

These sessions are for any children aged P1-S1 and take place every Friday afternoon (23rd Oct – 11th Dec) from 2:30pm-3:30pm at Forrester HS/St Augustines on the astroturf pitch.

The link to sign up for these classes is below:

https://canva.link/cecfootballclasses

Within this link, you can find more information on the classes as well as the link and QR code to sign up. Good luck, football fans!

Our Community Police:

On Tuesday the 20th of October, our lovely community police are intending to come to Frogston Primary School. First, they will speak to the P6s and P7s about staying safe around bonfire night and Halloween. After that, they will go into our playground at break time, to meet all the children and have a wee bit of a kick-about! This is all part of our continuing programme of building strong links with our community police. Huge thanks to PC Amy, PC Harry and PC Christina!

Over the coming weeks and months, they also hope to deliver a whole school assembly, talking about what police do and how they help us, as well as running a bike marking session for parents and older pupils!

Frogston Primary School's Vision, Values and Aims:

Schools regularly review and refresh their vision, values, and aims to ensure that they stay relevant, guide our everyday decisions, and continue to reflect and serve the changing community of the school. As such, it is now time for Frogston to review and refresh our vision, value and aims and we would of course love to have your views!

The Vision, Value and Aims of a school describe how we are all pulling together in the same direction.

A school's vision statement describes the intended future of our school. It should reveal what we aspire to be or hope to achieve in the long-term. It should be inspirational as well as motivational but also provide direction; mapping out where we are headed with achievable goals.

Our values should indicate what we stand for and the behaviours and skills which we value the most (over all else).

Our current Vision, Value and Aims can be seen here on our website: Our Vision and Values – Frogston Primary School

Attached here, is a short survey and we would be hugely grateful if as many of you as possible would take the time to complete it. Alternatively, you can scan this QR code:

Thank you, so much!

Chickens!

Huge thanks again to all those who volunteer to look after our chickens and so lovely to have so many new families join us!

Here is the link for looking after the chickens in November, December and the start of January:

Chickens at Frogston (November, December and a tiny bit of January) – Fill in form

We hope that you all had a wonderful October break with your families!

Kindest regards, from the Frogston Team.
